

TeaNook

ASSAM TEA EXPORTS

NO. 01

ASSAM · INDIA — EXPORT & RETAIL

Finest Assam *Tea*

FROM THE FINEST GARDENS OF ASSAM TO YOUR CUP

TeaNook buys at the garden across Upper Assam and moves it two ways — bulk export for importers and blenders, and honest retail packs for people who simply want a better cup. Every grade of CTC and Orthodox comes from second-flush estates we know by name, tasted and graded before it ships — plus a small-lot green tea picked and made entirely by hand. One supplier, every grade, from container loads to a single kilo.
